

builder team

Through visionary planning we design contemporary homes that inspire and delight. The two homes on display at One Minto are just a selection of what is available in our range.

Our commitment to the highest quality standards can be seen in everything we do. It's a quality you'll value every day.

Our competitively priced designs combined with our extensive list of quality inclusions deliver exceptional value and solutions to meet most budgets.

Only AVJennings has been building homes for Australians for over 75 years, so you can enjoy quality living and peace of mind.
